

LABEL SIZE: 5.5" X 4.5"

4 COLOR PROCESS

2nd BLACK

PANTONE 072

PANTONE 1655

Please proof "text" and "layout" carefully. This includes, but is not limited to repeats, cut lengths, sensor size and placement, machine compliance, artwork placement and size. Color Craft Label Company will not accept responsibility for any errors or omissions after job has been manufactured.

UPC's for shrink sleeves should be placed ladder style for optimal scannability.

Spot colors shown on this proof are a representation only. Actual colors will be matched to PANTONE color standards at time of

printing unless custom swatches were provided. Please examine for any errors in placement, color, spelling, fonts, design or distortions. Please verify carefully.
